## Independent Auditor's Report

To the Partners  
New England Realty Association Limited Partnership

We have audited the accompanying statements of revenue and certain expenses of Windsor Green at Andover, (the "Property"), for each of the two years ended December 31, 2012 and 2011.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the statements of revenue and certain expenses in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the statements of revenue and certain expenses that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on the statements of revenue and certain expenses based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statements of revenue and certain expenses are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the statements of revenue and certain expenses. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the statements of revenue and certain expenses, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the Property's preparation and fair presentation of the statements of revenue and certain expenses in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Property's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the statements of revenue and certain expenses.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the statements of revenue and certain expenses referred to above present fairly, in all material respects, the revenue and certain expenses described in Note 2 of Windsor Green at Andover for each of the two years ended December 31, 2012 and 2011, in accordance with accounting principles generally accepted in the United States of America.

### Basis of Accounting

As discussed in Note 2, the accompanying statements of revenue and certain expenses were prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission (for inclusion in the Form 8-K/A of New England Realty Association Limited Partnership) and are not intended to be a complete presentation of the Property's revenue and expenses. Our opinion is not modified with respect to this matter.
